Solutions and products for the identification and coding of goods

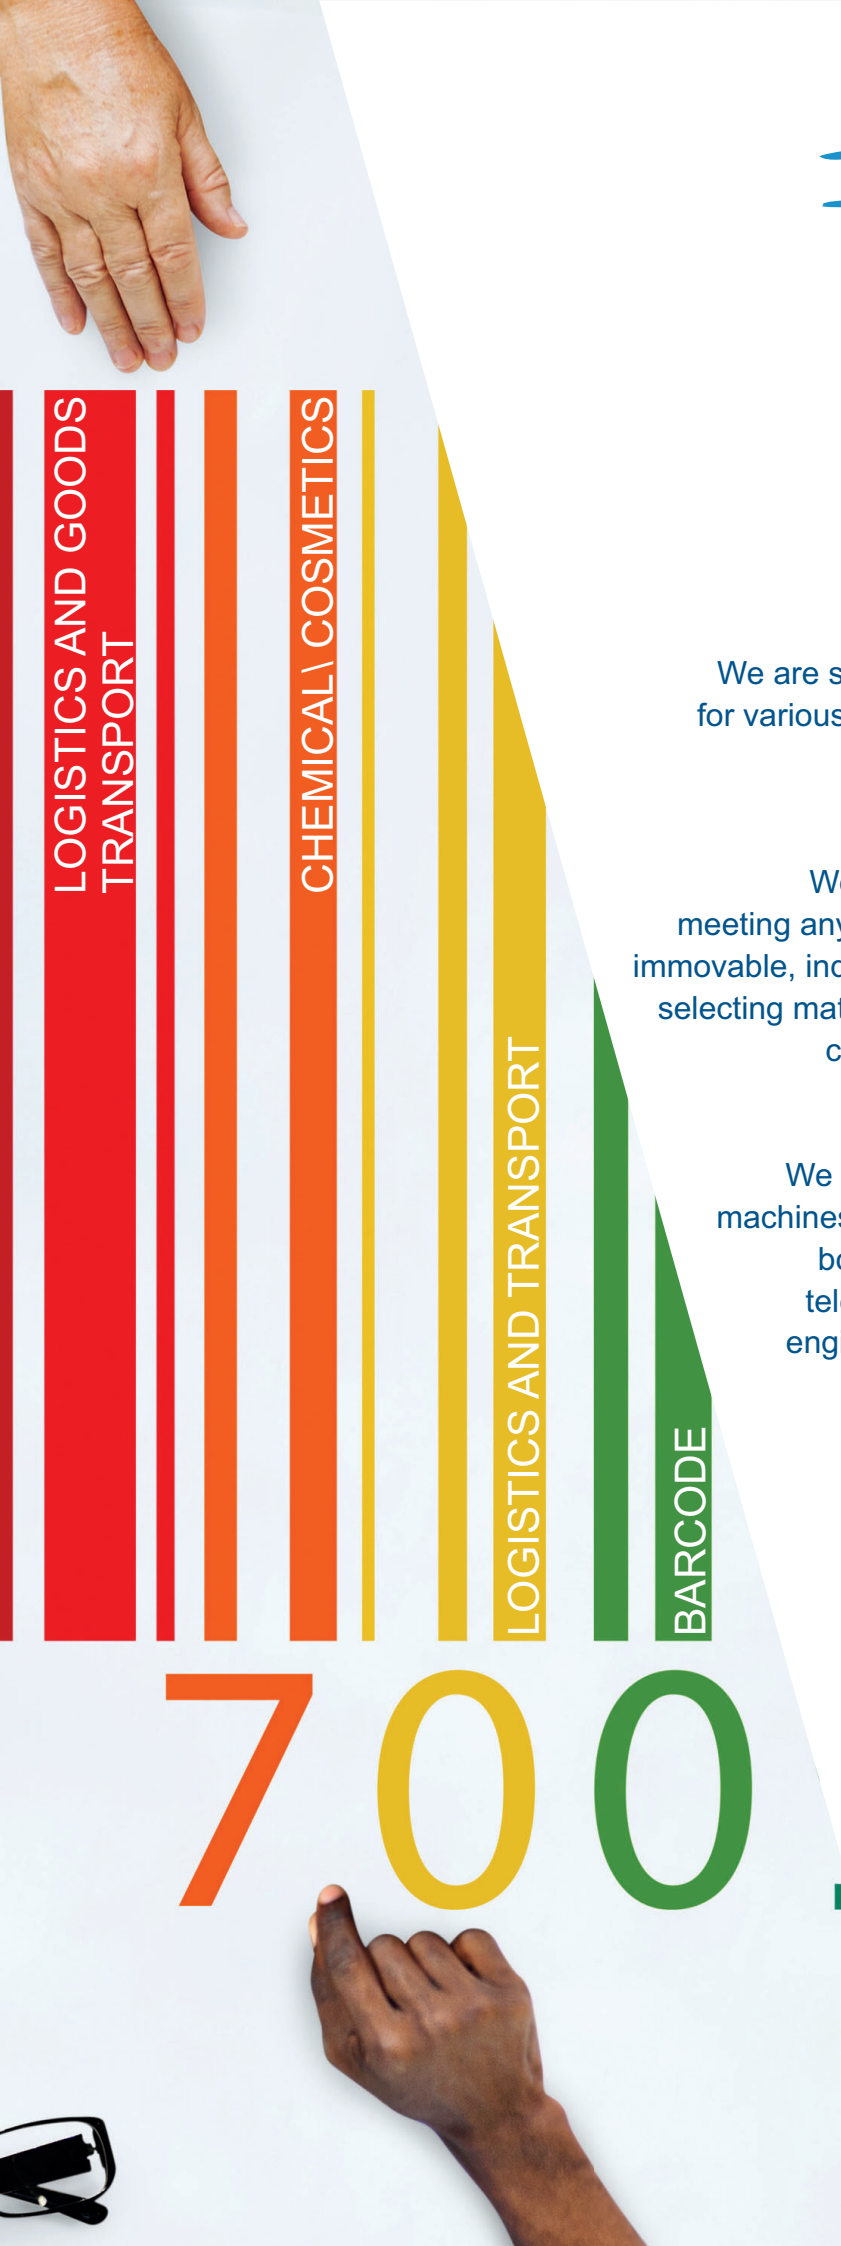

We are specialized in identification and coding systems for various sectors, from telecommunications to logistics, from the food to pharmaceuticals.

We produce custom stickers and tags capable of meeting any request and technical specification; printable, immovable, indelible, weather-resistant and solvent-resistant, selecting materials and industry-leading suppliers to ensure consistent quality and the best value for money.

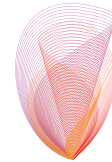

We offer identification solutions for cables, motors, machines, equipment, control and automation systems, bottles and packaging, electronics, solar panels, telecommunications, electromechanics, electrical engineering, mechanics, inventories, and logistics, also using barcode, QR code, and RFID.

Additionally, we provide a global service to our clients, offering free advice on the media, products, and systems to use, graphic and pre-printing support and quality control at every stage of processing.

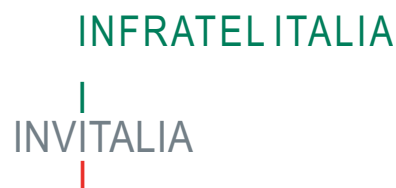

Since 2022 we started a sustainability process with the use of ecological inks, FSC/PEFC paper supports, and recycled packaging.

**Orange label
with transparent protection
for the identification of the
1/2-inch cable**

Supplied on A4 sheets of 9 units.
Printable on a laser printer.

Code **1294**

Package 1800 units.

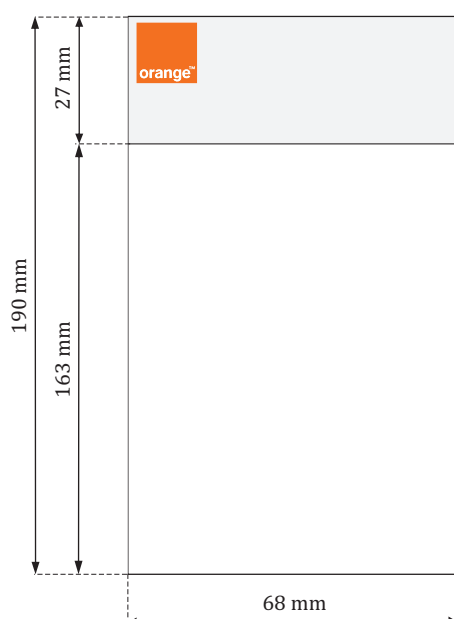

**Orange label
with transparent protection
for the identification of the
7/8-inch cable**

Supplied on A4 sheets of 6 units.
Printable on a laser printer.

Code **1295**

Package 1200 units.

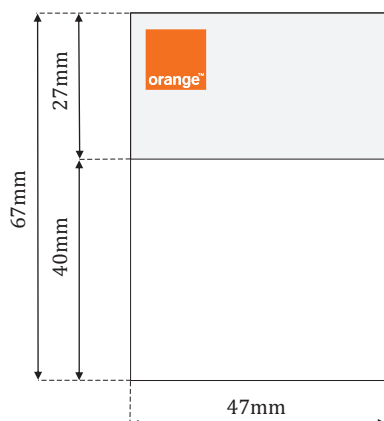

**Orange label
with transparent protection
for the identification of
the 1-5/8-inch cable**

Supplied on A4 sheets of 4 units.
Printable on a laser printer.

Code **1298**

Package 800 units.

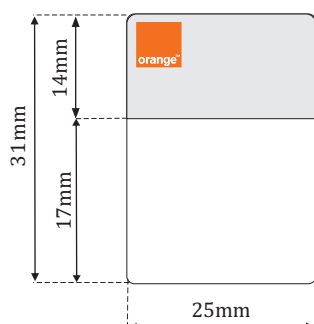

**Orange label
with transparent protection
for the identification of the
power cable**

Supplied on A4 sheets of 18 units.
Printable on a laser printer.

Code **1296**

Package 1800 units.

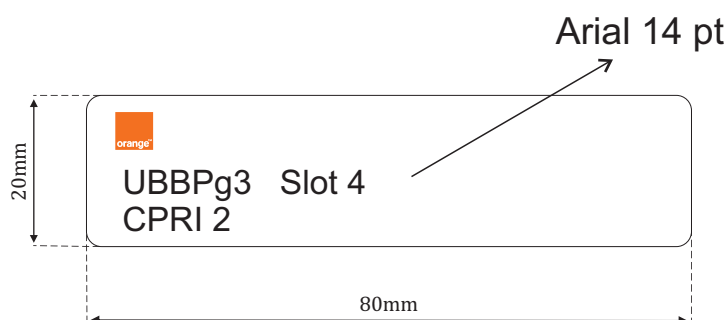

**Orange label
with transparent protection for
the identification of the fiber optic cable**

Supplied on A4 sheets of 60 units.
Printable on a laser printer.

Code **1297**

Package 3000 units.

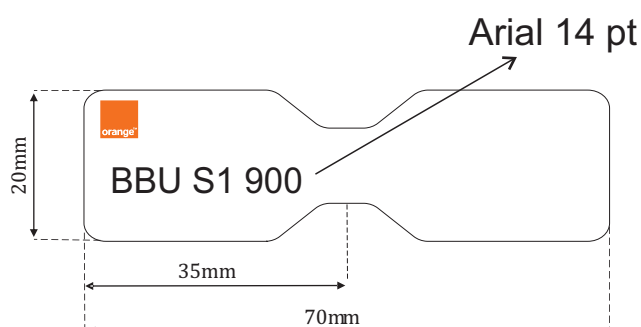

Orange label for interior cabinet 'Postal Card'

Supplied on A4 sheets of 30 units.
Printable on a laser printer.

Code **1422**

Package 3000 units.

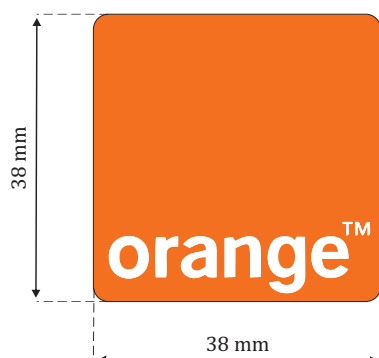

Orange label for internal cables 'Butterfly'

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1257**

Package 3600 units.

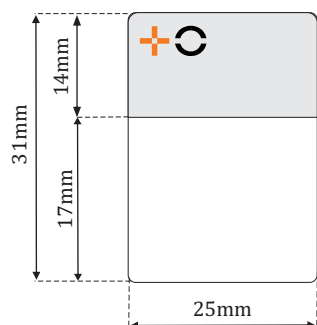

Orange label in PVC for outdoor

Supplied on A4 sheets of 35 units.

Code **1423**

Package 1750 units.

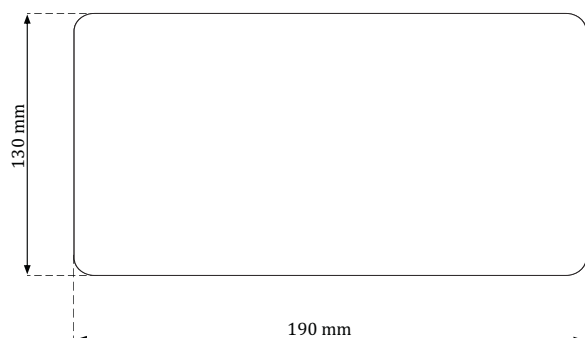

MASORANGE label
with transparent protection for
the identification of the fiber optic cable

Supplied on A4 sheets of 60 units.
Printable on a laser printer.

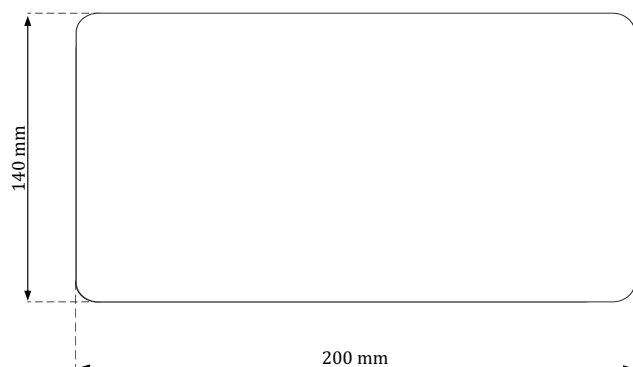

Code **2135**
Package 3000 units.

**Neutral white label to
identify the parabola**

Supplied on A4 sheets of 2 units.
Imprimible en impresora laser

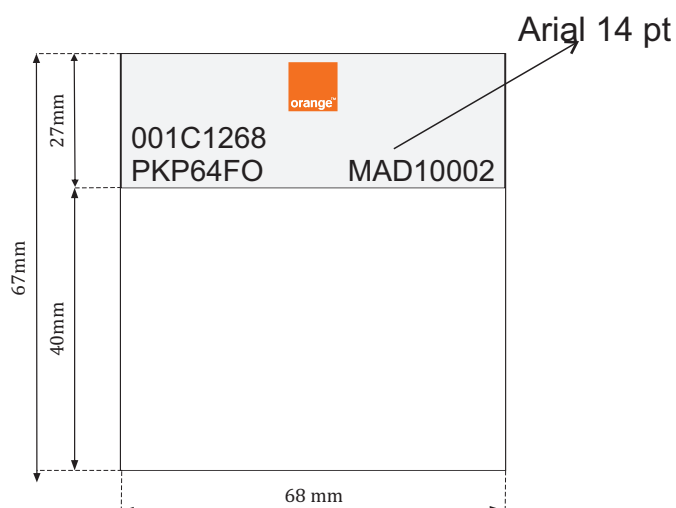

Code **1536**
Package 800 units.

Transparent protection label

Code **1535**
Package 800 units.

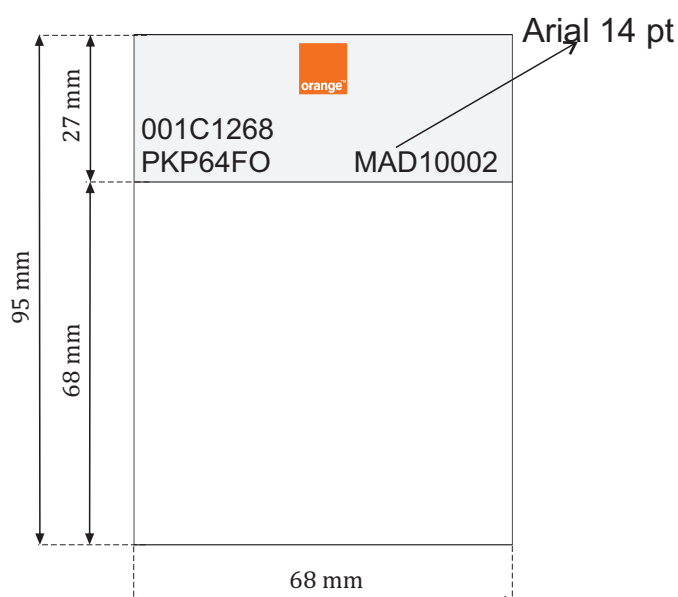

**Orange label
with transparent protection for
the identification of the cable
with a diameter from 7 to 12mm**

Supplied on A4 sheets of 12 units.
Printable on a laser printer.

Code **1432**

Package 2400 units.

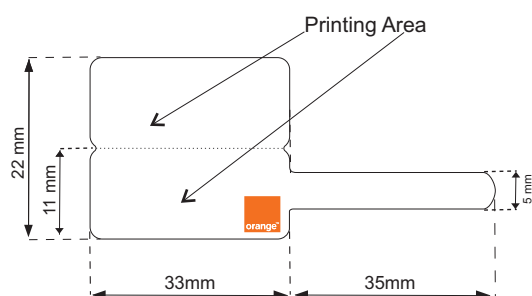

**Orange label
with transparent protection for
the identification of the cable
with a diameter from 13 to 21mm**

Supplied on A4 sheets of 9 units.
Printable on a laser printer.

Code **1433**

Package 1800 units.

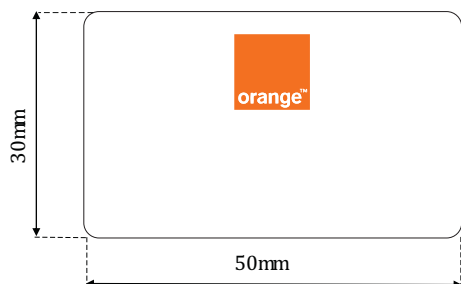

**Orange label
flag for fiber/uto**

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1258**

Package 3600 units.

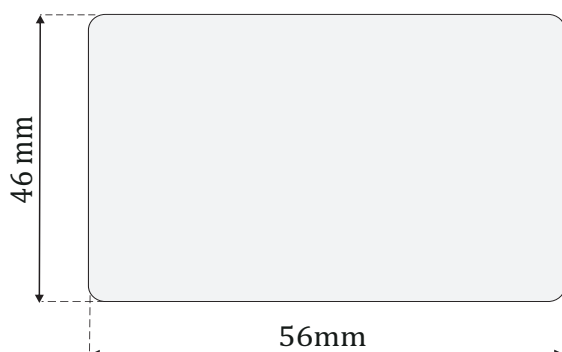

White Orange label for optical splitter

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1256**

Package 3600 units.

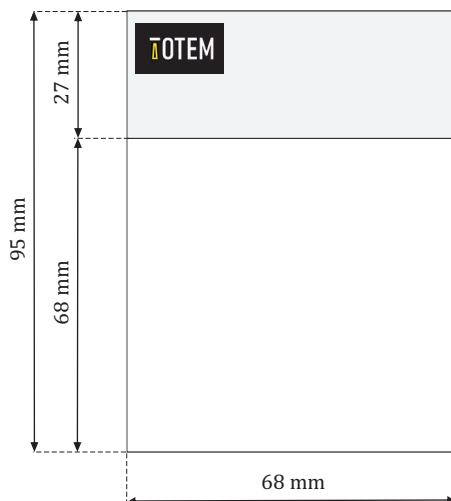

Transparent protection label for white Orange label Code 1256

Code **1254**

Package 3600 units.

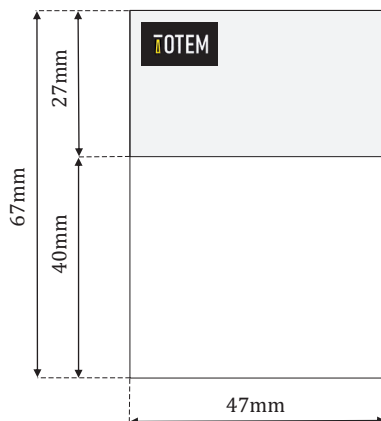

**Totem label
with transparent protection
for the identification of
the 1/2-inch cable**

Supplied on A4 sheets of 9 units.
Printable on a laser printer.

Code **1912**

Package 1800 units.

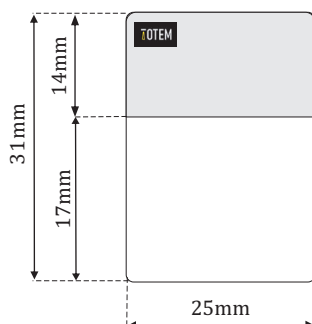

**Totem label
with transparent protection
for the identification of
the energy cable**

Supplied on A4 sheets of 18 units.
Printable on a laser printer.

Code **1914**

Package 1800 units.

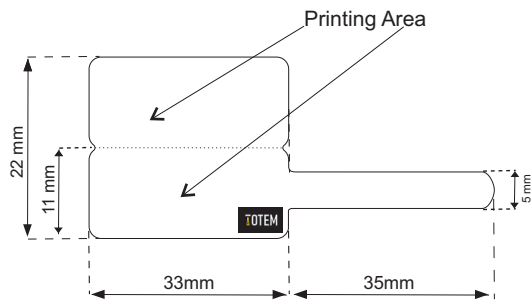

**Totem label
with transparent protection for
the identification of the fiber optic cable**

Supplied on A4 sheets of 60 units.
Printable on a laser printer.

Code **1915**

Package 3000 units.

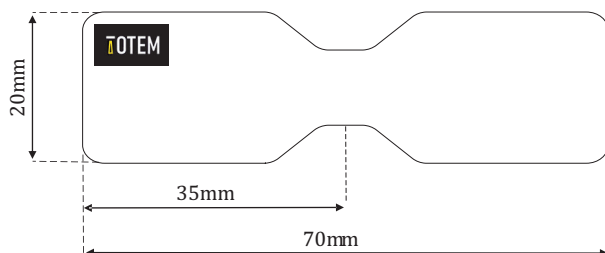

Totem flag label for fiber/uto

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1917**

Package 3600 units.

Totem 'Butterfly' label for internal cables

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1918**

Package 3600 units.

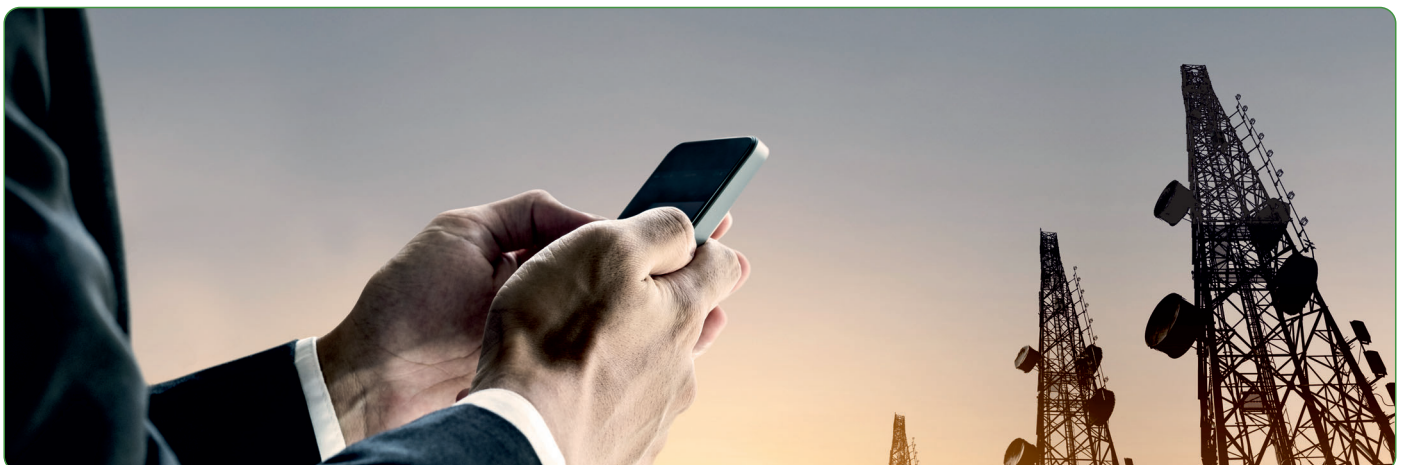

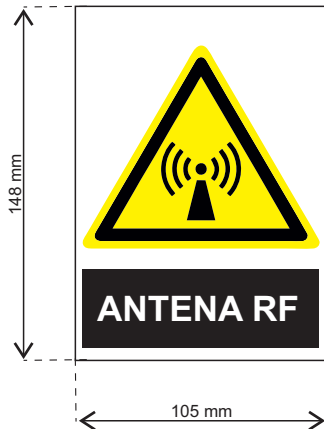

Totem label in PVC for outdoor

Supplied on A4 sheets of 30 units.

Code **1919**

Package 1500 units.

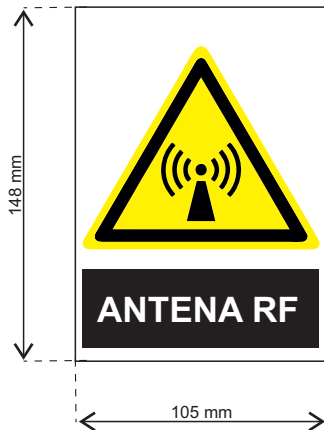

Adhesive label in Hi-Tack PVC
+ UV paint for outdoor
'RF Antenna'

Code 2010

Package 200 units.

Non-adhesive PET label
with UV printing 'RF Antenna'

Thickness 0.3 mm

Supplied on A4 sheets of 36 units.
Printable on a laser printer.

Code **1251**

Package 3600 units.

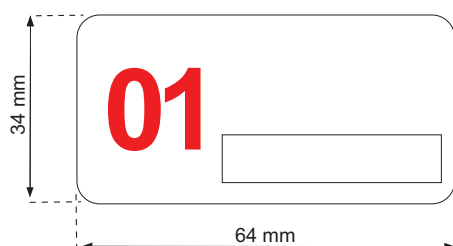

Vodafone label for the identification of the location

Supplied on A4 sheets of 24 units.
Printable on a laser printer.

Code **1262**

Package 2400 units.

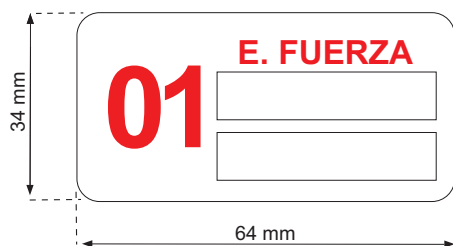

Vodafone label for equipment and radiating system identification

Supplied on A4 sheets of 24 units.
Printable on a laser printer.

Code **2025**

Package 2400 units.

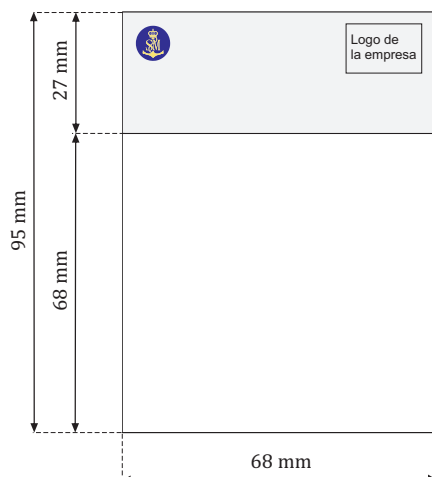

Vodafone label for power equipment identification

Supplied on A4 sheets of 24 units.
Printable on a laser printer.

Code **2024**

Package 2400 units.

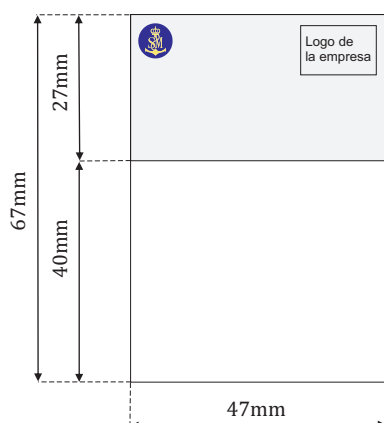

Salvamento Marittimo white label with transparent protection for the identification of the 1/2-inch cable

Supplied on A4 sheets of 9 units.
Printable on a laser printer.

Code **1602**

Package 1800 units.

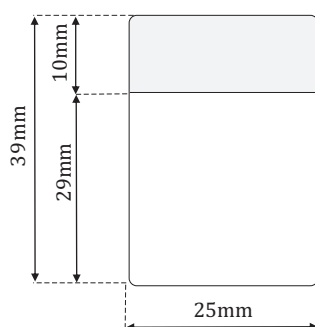

Salvamento Marittimo white label with transparent protection for the identification of the 1/4-inch cable

Supplied on A4 sheets of 18 units.
Printable on a laser printer.

Code **1603**

Package 1800 units.

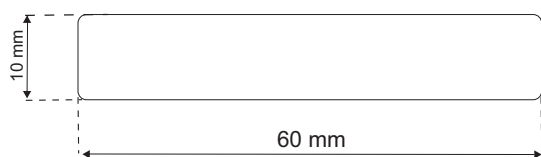

White label with transparent protection for the identification of the RG58-RG203-RG214-UTP cable

Supplied on A4 sheets of 50 units.
Printable on a laser printer.

Code **1307**

Package 3000 units.

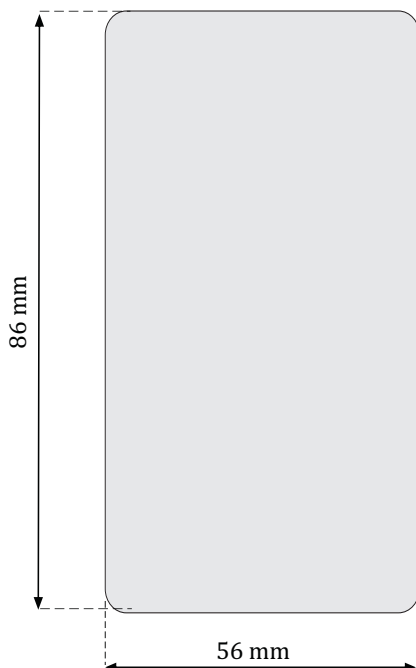

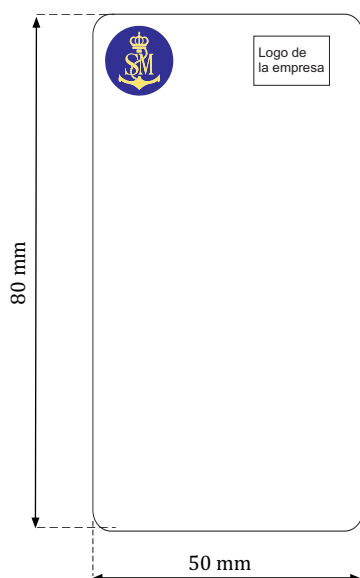

**White label
to identify equipment
in plastic material with
ultra-performance adhesive**

Supplied on A4 sheets of 72 units.
Printable on a laser printer.

Code **1605**

Package 3600 units.

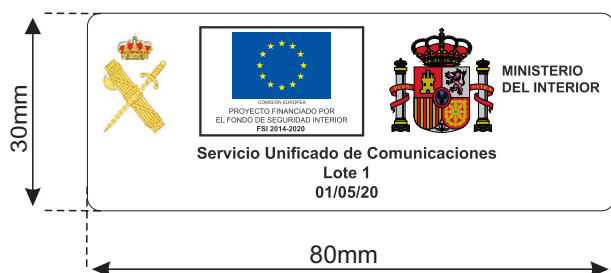

**Label for Salvamento Marittimo
racks white label with
transparent protection**

Supplied on A4 sheets of 10 units.
Printable on a laser printer.

Code **1604**

Package 1000 units.

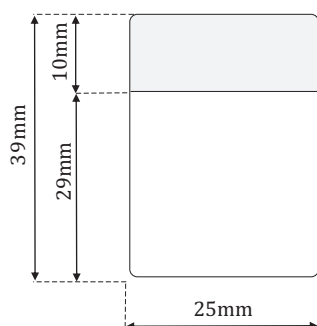

Destructible GUARDIA CIVIL label (to indicate lot and date)

Code **1366**

Package 900 units.

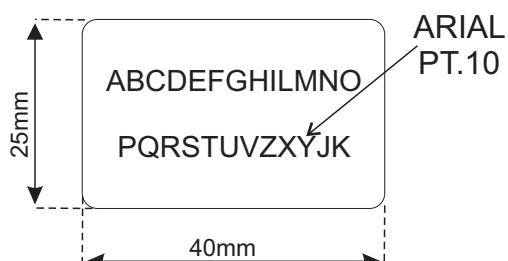

White label with transparent protection for the identification of fiber optic/UTP cable

Supplied on A4 sheets of 50 units.
Printable on a laser printer.

Code **1307**

Package 3000 units.

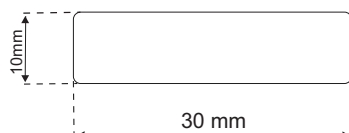

Adhesive label for RACKS in plastic material with ultra-performance adhesive

Supplied on A4 sheets of 50 units.
Printable on a laser printer.

Code **1373**

Package 2500 units.

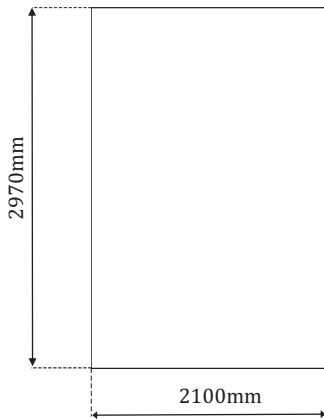

Adhesive label for ROSETTES in plastic material with ultra-performance adhesive

Supplied on A4 sheets of 144 units.
Printable on a laser printer.

Code **1372**

Package 2880 units.

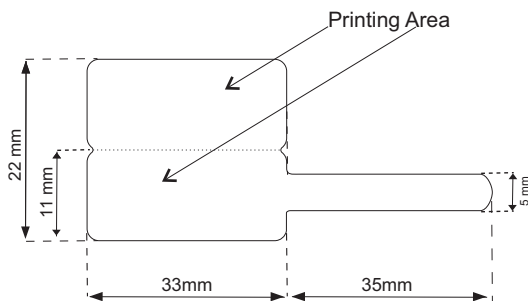

A4 plastic adhesive cable in PE

Supplied on A4 sheets.
Printable on a laser printer.

Code **1224**

Package 500 units.

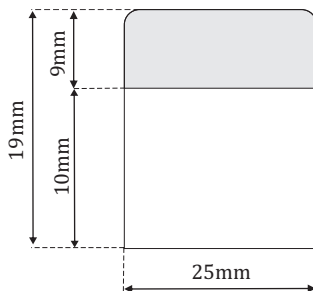

Flag label for fiber/uto

Supplied on A4 sheets of 20 units.
Printable on a laser printer.

Code **1303**

Package 2000 units.
